Miss Chicago, Don Belloc Highlight Homecoming

by Bill Swanston

Preparations, for what promises to be the biggest Homecoming dance in the history of St. Joseph's College, are now under way. This year's Homecoming will be held the week-end of Oct. 15.

Work officially opened with the acquisition of Dan Belloc and his orchestra for the night in question. Belloc is one of Chicago's top young band leaders. Negotiations were made with Belloc by dance committee Chairman Frank Unger. Only tentative plans, however, have been made to sign the Counts, a jazz combo, for the Revels that follow.

Record Crowd Expected

Dan Belloc is expected to play to an estimated crowd of between 350 and 400 couples.

Bill Gleason, general chairman, Tom Stucker, sophomore class president, and Mr. Willard Walsh, faculty adviser, have collaborated in planning the Homecoming. The plans set, Bill Gleason now steps forward to execute them.

Assisting Gleason are chairmen: J. Bian, work supervision; J. Berlier, publicity; F. Bianucci, tickets; J. Detloff, Revels; J. Panek, housing; and T. Ryan, Friday night's pep rally.

Miss Chicago Named Queen

Friday evening's festivities will be centered around the reigning beauty queen from Chicago, Florence Gallagher. Miss Gallagher will arrive, accompanied by her fiancé, Friday night for the opening of the Homecoming week-end. The designated time and place is 7:30 p.m. in the school auditorium.

Included in the rally will be the crowning of Miss Gallagher as the Homecoming queen, a talk by coach Jauron, and the introduction of the football team to the student body. Pat Evard, president of the Student Council, will act as Master of Ceremonies.

Gala Half-time Activities

The week-end will continue when St. Joe takes on Butler. The kickoff will be at 2 p.m. Miss Gallagher will make her entrance and circle the field in a Cadillac to highlight the half-time entertainment.

The Homecoming Dance will start at 8 p.m. and continue until midnight. For the next 45 minutes, dancers will find refreshments in

(Continued on Page 4)

23 Intellectuals Make Dean's List

The students on the Dean's list with perfect scores for the fourth grading period of the 1954-55 school year are Marvin L. Hackman, junior; Ronald E. Keller, sophomore; and John E. Crackel, Cyril M. Gulassa, and James A. O'Brien, freshmen.

The only senior named to the list is Robert A. Michalski.

The juniors are represented by Kenneth P. Fedder, James L. Kuckacki, George J. Saliga, and Roger L. Uecker.

Three other sophomores tallied below 3.00 but above 2.50; they are Robert L. Duncan, Marvin L. Fisher, and Anthony M. Smith.

Of last year's freshmen Alfred P. Bianucci, Robert E. Caporal, James E. Detloff, Joseph F. Gulassa, George A. Kirkpatrick, Edward M. Kolaczky, George J. Schmid, James J. Sobota, Thomas B. Stucker and Urban A. Thobe represent their class in addition to the three mentioned above.

The students who achieve a scholastic index of 3.50 (2.50 according to last year's index system) qualify for the honor of being named to the Dean's List and for certain privileges, such as, reasonable over-cutting of classes.

New Hampshire Coach O'Connell Replaces Scharf

by Dick Obergfell

Head basketball coach for St. Joseph's College this year will be Dale O'Connell, who comes to Indiana after a varied and successful career in high school coaching and playground directing in New Hampshire.

He succeeds Richard Scharf, who resigned this summer after 10 years of coaching at St. Joseph's, to devote full time to teaching and continuance of graduate work.

120 Won, 49 Lost Record

Mr. O'Connell, who will also assist in football coaching, has been varsity basketball coach since 1953 at Dover high school (N.H.). His three-year basketball record at Dover was 34 wins and 26 losses. He also coached the junior varsity football team to an undefeated season in 1953.

From 1947 to 1952, Mr. O'Connell was basketball coach, track coach, and football line coach at Somersworth, N. H. His five-year basketball record there was 86 wins and 23 losses.

Excels In Basketball, Track

He was graduated from Nashua (N.H.) high school in 1937, and from New Hampshire University in 1947. While in high school he was an all-state forward selection in basketball, and state pole vault champion in 1937.

At St. Anselm's, Mr. O'Connell played on varsity football and basketball teams. He was also a member of Rho Kappa Sigma honorary scholastic society. His graduate study was done at the University of New Hampshire.

All-Service Selection

Mr. O'Connell was on active duty with the Army Air Corps from 1942 until 1944. He was selected to the 1944 Southeastern U.S. All-Service football team.

Besides his heavy coaching duties in recent years, Mr. O'Connell has served as playgrounds director in Somersworth and Dover since 1947, where he was responsible for organizing many Little League baseball teams. He has also been active in various other civic enterprises.

Last year he served as president of the New Hampshire Coaches Association, and he has served on several of the athletic executive boards in the state.

Lobby Extension Cost SJ \$6,000

The lobby of the Collegeville auditorium was extended this past summer at a cost of about \$6,000. The work was done entirely by the college maintenance crew, with the exception of the layout. This phase of the extension was handled by Thomas Mueller of the Naess & Murphy architectural firm.

This building project made possible the construction of two new faculty offices. The bigger of the two is being occupied by Messrs. R. Cappuccilli and W. Walsh, while Mr. J. Ruble is using the smaller office.

After completion, which is expected during the Christmas holidays, the glass cabinets on the south wall will be used for departmental displays.

The extension is a vast improvement over the narrow hall-way which the lobby replaces.

Present Enrollment Doubles That of Five Years Previous

Another record enrollment has been established at St. Joseph's College for the 1955-56 school year. A total of 804 students were on hand for the official opening of school on Thursday, Sept. 15.

The total enrollment of St. Joseph's College five years ago was half of what it is today. Even with the addition of two new upperclassmen residence halls, Bennett and Noll, the campus is still to capacity.

Hotels Accommodate Overflow

A number of freshmen even had to be housed in Rensselaer hotels until room could be made for them on campus. It is obvious that additional residence halls are needed if the college intends to continue its enlargement program.

Of this record total, 411 are new students with 26 seminarians entering Xavier Hall for the first time. Returning and re-entering veterans number 53 while 31 more vets are attending St. Joseph's for the first time this year.

Six Countries Represented

Canada, Germany, Nicaragua, Italy, and Spain, as well as fourteen states, are represented by the new students. Chicago sent the largest representation, 109 new students.

Housing for this large-Freshman class required the addition of two former sophomore halls, Gaspar and Drexel. New students are also being housed in Seifert, the Science Dorm, and the Administration Building.

New students arrived at the college on Sunday, Sept. 11, for registration in the fieldhouse. A welcome address was given by Rev. Raphael Gross, president, that evening.

Orientation Begins Sept. 12

Monday was devoted to Orientation tests and the filling out of Guidance and Placement forms. Another address was given that evening by Rev. Edward Maziarz, dean of the college.

The rest of the Orientation Week activities were planned to give the new students a general idea of the facilities and regulations of the college.

Returning students arrived at the college for registration on Thursday, Sept. 15. The official opening of the school year was marked by Solemn High Mass in the fieldhouse and an address by Fr. Gross.

Unger Appointed Dance Committee Chairman by SC

Frank Unger has been appointed chairman of the dance committee this year by the Student Council. Assisting Unger on the committee are Dick Lorey, Bob Pitt, Ray Goberville, Bernie Balas, and Perry O'Hagan.

The purpose of this committee is to acquire bands for the various school dances and to schedule mixers with neighboring women's colleges.

Student handbooks are now being printed and will be distributed by the Council to all students. The handbooks will contain such information as school songs, athletic cheers, train schedules, a calendar of social events, etc.

Student Activity Cards, which will serve as identification cards, are also being printed. They will bear the student's name, hall, and room number and should aid in avoiding confusion and unnecessary lists at social functions.

Elections for Inter-hall representatives are now taking place in the various upperclassmen halls. A list will soon be published by Tom Stucker, chairman of the committee.

Two mixers have been scheduled by the dance committee for the

Croatian Hall Site Of LC Club Dance

The Croatian Hall in East Chicago, Ind., will be the site of the Lake County Club Thanksgiving dance. This will be the first of three club dances scheduled for this year.

As with most of the clubs on campus, they are expecting the largest membership in history. Dues for the year will be \$1 and there will also be a \$1 initiation fee for new members. These funds will be used to purchase jackets for the new members.

Bob Companik is president of the club. Other officers are: Joe Gerba, vice-president; Tom Biel, secretary; and Bob Valencik, treasurer.

coming month. Mundelein College will visit the campus on Oct. 1 and St. Mary-of-the-Woods College will be host to SJ students in Terre Haute on Oct. 8.

Bill Gleason

Officers Expect High Membership In Chicago Club

The highest membership in history is expected by this year's Chicago Club. The record freshman enrollment is responsible for this expected high.

A meeting of club members was held last Monday to announce plans for the forthcoming Thanksgiving dance. No band or site was named for the dance, although it will probably be held on the north side of Chicago. Postcards concerning the plans will be sent to the members over the Thanksgiving holidays.

Membership cards for the club will cost \$1, but this fee will be deducted from the ticket cost at each dance. Three dances will be held during the school year and another one during the summer vacation. Tickets will cost \$3 without a membership card and \$2 with one.

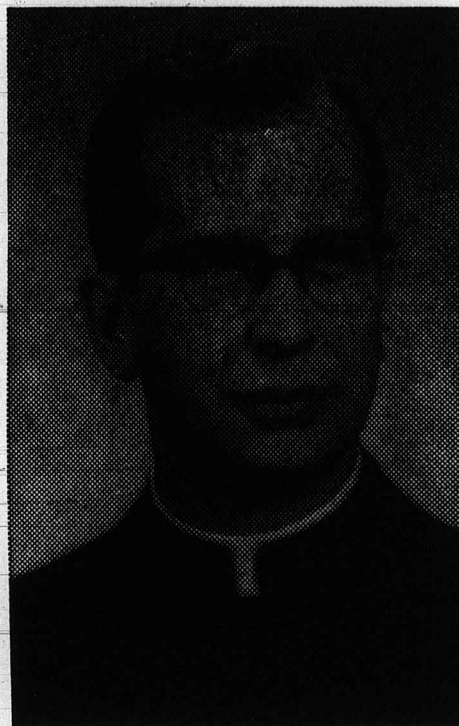

A picnic had been scheduled for last month but was cancelled because of a lack of funds. The club lost \$55 on the summer dance and the additional cost of senior gifts made the holding of a picnic impossible.

This year's officers of the Chicago Club are: Tom Holmberg, president; Dick Dwinnell, vice-president; and Dick Kubicich, secretary-treasurer.

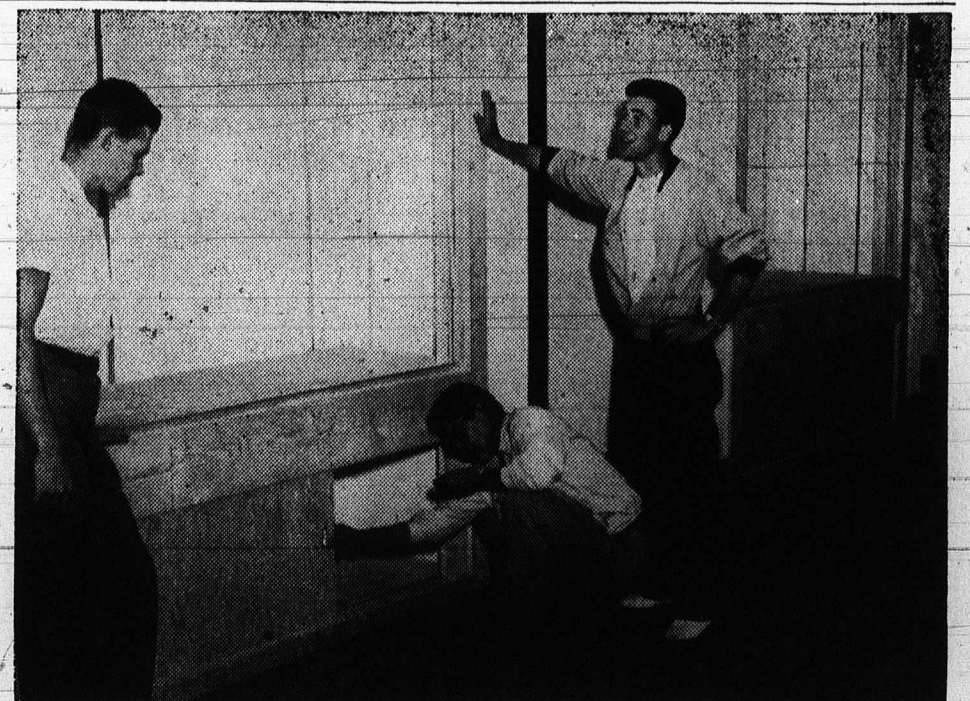

Hospital Tours Planned By Biology Club Heads

Trips to Chicago hospitals to view operations and a tour of the Eli Lilly Co. of Indianapolis are being planned by the Biology Club. No definite plans have been made thus far.

The club will hold its first meeting of the year this evening in the Biology laboratory. Club officers are: Fred Stucker, president; Joe Maher, vice-president; Joe Brungardt, secretary; and Jack Rusina, treasurer.

Rev. Raphael Gross

Sophomores Dave Neville, Munro Jim, and Lavern Gross (left to right) inspect the display cabinets on the south wall of the new auditorium lobby. The final work on the lobby will be done during the Christmas holidays. (Photo by Franz)

Sudden Spirit

St. Joseph's college has finally hit on the right combination in building a winning football team. After a considerable string of "dry years," Coach Bob Jaaron, the Puma of the hour, took over the helm last year and proceeded to mold a strong contender for the ICC crown.

Although the Pumas didn't quite make it to the top, they played consistent, high-caliber football. This year, after a heart-breaking loss to Ohio Central in the season's opener, the squad seems to be on the victory trail again.

Most of the credit for the improved showing of the squad goes to Coach Jaaron and the players, but another factor played heavily in recent victories, student backing.

The attendance at the pep rally preceding the Ohio Central game was not up to expectations, but the tremendous turn-out for the game itself was very gratifying.

This weekend probably the most bitterly contested game of the year will be played here at Collegeville. The Valparaiso Crusaders, last year's conference champions, are back to renew their hot rivalry with St. Joseph's.

For the benefit of the new students, we should explain that the rivalry between these two schools is one of the greatest in the league. Pre-game raids are not uncommon of the eve of these fall meetings. In 1953, a group of Crusader backers visited Collegeville with a few buckets of paint. Needless to say, it was obvious the following morning that they had been here.

The best payment we could give them in return for such visits would be a resounding defeat in Saturday's game. Full student support will make the task quite a bit easier.

Discontinue Band

Next Saturday, the game of the season—St. Joe's versus Valparaiso. Who'll be on hand for the game? Why everyone of course. Everyone, that is, except the St. Joe's school band. And why the exception? That seems to be the sixty-four dollar question.

For the first time in my four year stay here it appears as though the St. Joe college band won't be on hand for the big game of the year. And for all those who have more or less taken the band for granted in the past, I'm quite sure this will certainly come as somewhat of a letdown.

In the past the band has been, beyond all doubt, the main backer at all home athletic contests. If the weather was anything but impossible as far as band instruments were concerned, the band was there. There, not only playing, but backing the cheer leaders one hundred per cent as well.

Now, the \$64 question: Why no band? Eight hundred students and no band? The answer is quite simple. A case of plain arithmetic—sixty to seventy capable musicians on campus and only eighteen of them showing up for practice. All of which doesn't add up to a band.

From the freshman class alone some 35 to 40 individuals indicated that they had had previous band experience. And yet after making a personal appeal to each of them as well as posting bulletins, only 10 or 11 of them showed up for the first rehearsal. Similarly, in the sophomore, junior and senior classes there are numerous musicians who would have no difficulty whatsoever in picking up instruments once again and playing a few simple marches.

If the talent is here, what's the difficulty? As much as you may dislike the idea, it boils down to nothing but a lack of school spirit. Naturally, it's quite obvious that the band doesn't receive lauds of praise for what they do, but glory isn't everything.

Many a football player has sat the bench game after game not gaining recognition, but still being there. In terms of time it's a sacrifice of about 2½ rehearsal hrs. per week. And I'm quite sure there isn't an individual on campus who doesn't "goof off" at least twice that much time per week.

As far as rewards go, the members do receive letters, sweaters and blankets according to the number of years they participate. And if the individual so desires, he can also gain a credit per semester merely by signing up for it.

Well, that's the situation. St. Joe's has the potential of a solid fifty piece band or the strong possibility of no band at all. It's up to you, the student bandmen.

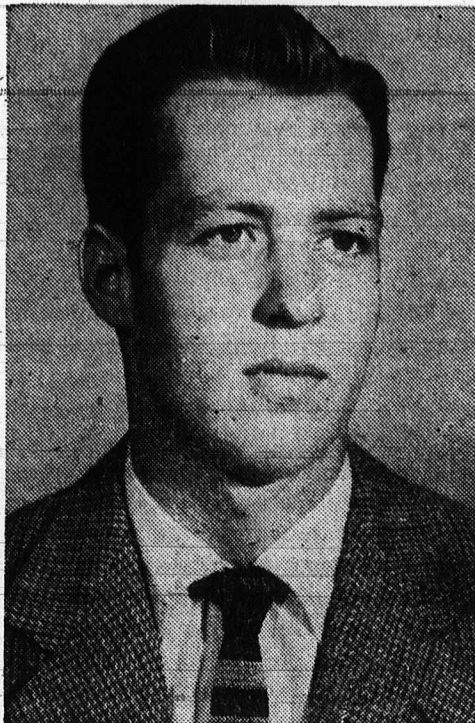

Joe Maher

Puma's Sister Takes Miss Chicago Title

Harold "Jiggs" Gallagher has suddenly become somewhat of a celebrity. He has been the partial subject of numerous newspaper articles, asked to model clothes for the Patricia Stevens model agency of Chicago, and pursued by a number of older Puma bachelors who would like to get better acquainted with his "family."

The reason for this sudden burst of notoriety, as most of us already know, is "Jiggs'" beautiful and talented sister, Florence, better known as Miss Chicago of 1955.

Jiggs, a St. Joseph's sophomore, didn't know about the honor which had been bestowed upon Florence until five days after the final judging. He had been working on a

Harold "Jiggs" Gallagher

Great Lakes ore boat and "didn't believe it" when the news reached him by way of a newspaper clipping.

When "Jiggs" heard that Florence had come in third in the Miss America judging, he was "overjoyed, but disappointed she hadn't won after coming so close."

The Gallaghers have had a very complex home life ever since Florence won the Chicago title. Reporters, photographers, and publicity agents have given them practically no peace whatsoever.

Before winning the Miss Chicago title, Florence was employed by Dorothy Flicek Industries, a needlework firm. In 1951 she sang with and recorded a number of records for Dan Belloc and his orchestra.

Among the prizes Florence received in the Miss America contest was a \$2500 scholarship she intends to use to further her work in dramatics and voice. She also received a 21" Philco television console, fashion jewelry, and the trophy for second runner-up in the voting.

One week vacations at Miami Beach and Nothernaire, Wis., went with the Miss Chicago title as well as another Philco television console.

Mrs. Gallagher, their mother, received her first vacation since her honeymoon 23 years ago when she accompanied Florence to the Miss America Pageant in Atlantic City, N. J. Mrs. Gallagher is a nurse at Resurrection Hospital in Norwood Park.

"Jiggs" found the question of what he is looking for in a girl since Florence set such high standards quite difficult to answer. "I've already got a girl so I'm not looking or setting any standards for one. Not yet, at least." J.S.

Florence Gallagher

James Farley Receives Honorary SJ Degree

Although the regular lay students at St. Joe may depart for the summer, activities on the Collegeville campus during these months do anything but cease. From the last day of second semester exams until the opening day of freshman orientation the following September the facilities here are used almost to the maximum.

During the past summer activities started off as usual with Commencement exercises. On June 5 over 80 men were presented with bachelor's degrees. Along with them James Farley, former Postmaster General of the United States and former National Democratic Committee Chairman, was awarded an honorary Doctor of Laws degree. Mr. Farley's, as well as Fr. Maziarz's, address was entered into the Congressional record.

Religious Hold Workshop

From June 6 to 8 a fund raising workshop for 74 nuns and brothers was held here. On June 8, however, quite a bit of excitement was caused when a fire was discovered within the Fieldhouse. Prompt action kept the loss down to \$600.

The top activities during these months are the many retreats which are held for both lay and religious groups. The schedule began with a retreat for the Christian Brothers from June 9-18. This was followed by a retreat for Alcoholics Anonymous from 10th to the 12th of that same month, and two others for the Precious Blood Congregation from June 13 to 17 and Aug. 22 to 26. Also on the retreat calendar were two for men from July 29 to 31 and from August 12 to 14, and two for women from July 8 to 10 and from Aug. 5 to 7.

Collegeville Confidential

By John White and Chuck Vietzen

With all the Pumas, both old and new, coming to Collegeville with bulging wallets as the result of a profitable summer, they see around them many of the old familiar sights, the water tower, Post Office, Rec Hall, and all the college landmarks. Yet they can also see many new improvements such as the new residence halls, a repainted Drexel, and a new auditorium foyer to mention only a few. But back at the same old post are your favorite (?) columnists. The newest thing you'll find in this column is the title.

During the coming year we'll be back every other week to give you news, views, and names. We'll try to get your name in print. Why not help us by letting us know of any happenings we might miss?

Puma Prey?

It has now been over six years since the bloodthirsty Puma has last had Crusader for dinner on a Saturday afternoon. In the years which preceded this famine the two rival schools of Valparaiso and St. Joe would split fairly even on the gridiron, but of late the school to the north has more than dominated the victory column. So it is that the rivalry between these two has increased more and more each year as the big Puma has become more thirsty for revenge. They will meet here once again on Saturday, the Crusaders seeking to retain their crown and the Pumas hoping that this will be the year.

Revenge would be sweet for the seniors who lead the way this weekend in hopes of seeing a victory over Valpo and the honor of St. Joe restored to its proper place. They can and will see it as long as we remember that there is no substitute for victory. BEAT VALPO!

Chicago Catastrophe

Social activities sponsored by the Student Council got underway with the first student trip of the '55-'56 season. A vast improvement over previous years was seen in the buses which were chartered for the trip to Chicago. Despite a Puma loss the spirit expressed at the game was better than at the Pep Rally the night before, thanks to ever-dependable Willie Walters. Perhaps more incentive could be added to the spirit with the addition of some new and better-organized cheers.

Music from Mark's

Although no announcement has been made we, as well as a great many other persons on this campus, are eagerly awaiting the annual return of St. Mark's and Regina high school's Glee Club from Cincinnati. Begun a few years ago through Fr. Wuest, the annual fall appearance has become a tradition here at St. Joe.

Mixer Musings

The dance season here at Pumaville will break open with the arrival of 124 Mundelein girls for the mixer which will be held the night of Oct. 1, immediately following the Valpo game. The Mundelein mixers are usually looked forward to as being some of the better weekends of the year. Also on tap for the crowded fall social season are a mixer at St. Mary-of-the-Woods on Oct. 8 when the Joemen face Indiana State at Terre Haute and the final mixer of the football season with Rosary following the night game with Ball State here Oct. 29. Homecoming and a tentative date dance set for Nov. 5 will round out the social calendar. Congratulations to the Student Council Dance Committee for arranging what promises to be a lively schedule.

PERSONALS

The Case of the Kissing Trombone: It seems someone named Clyde has been harrassing the Student Council for two years to replace a trombone reportedly stepped on by an elephant after being borrowed by someone named Lagerschlager (That's the trombone that was borrowed, not the elephant). . . . Florence Gallagher, Miss Chicago, and 3rd place contestant in the Miss America contest, accepting the title of Homecoming Queen for this year . . . a handbook containing general student information being published by the Student Council . . . Junior Bill Morrison having a tough time convincing some vets he wasn't a freshman . . . Congrats to returning married men Tim O'Brien, Norm Hudecki, Bill Schulte and those that we might have missed . . . prediction of the week: the Valpo victory bell won't ring Saturday night. . .

Published bi-weekly during the school year, except during the calendar holidays of Thanksgiving, Christmas, Easter and mid-year examinations by students of St. Joseph's College. Entered as second class matter Sept. 20, 1937, at the Post Office in Collegeville, Ind., under Act of March 3, 1879. Subscription \$1.00.

Nine Instructors, One Nurse Added to Collegeville Faculty

Ten new instructors have been added to the faculty and staff of St. Joseph's College for the 1955-56 school year. Of these, three are priests, two are candidates for the priesthood, four are laymen, and one is a Registered Nurse.

Mr. Jay Barton, a native of Missouri, received his M. A. degree at the University of Missouri in 1948. He also received his Ph.D. degree at the University of Missouri in 1951. Mr. Barton is teaching biology.

Mr. Donald E. Brinley, a Subdeacon of the Archdiocese of Indianapolis, studied at St. Meinrad Seminary where he finished his course of theological study. He also studied at the Catholic University of America where he received his B. A. and M.A. degrees in philosophy and religion.

At the present time he is a candidate for the M.A. degree in English at the Catholic University of America. He was born in Richmond, Indiana; he is teaching religion and philosophy.

Miss Nellie Harris, a native of Chicago, who received her nurse's training at St. Bernard's Hospital in Chicago, is in charge of the Health Center. Before coming to St. Joseph's College she had been doing private work for two years, a supervisor in obstetrics for two years, and a clinical instructor for two years. She received her R.N. degree in 1928 from St. Bernard's.

Mr. Bryce J. Jones received his M.S. degree from St. Louis University in 1951. He has just finished studying for his Ph.D. degree also at St. Louis University. Mr. Jones was born in St. Louis, Missouri and will teach economics here at St. Joseph's.

Rev. Lloyd C. Lee, Deacon of the Archdiocese of Indianapolis, received his M.A. and Ph.D. degrees while attending the University of Georgia. He has also completed his theological studies but hasn't as yet received his Major Orders for the priesthood. Rev. Lee is originally from Georgia and can be found teaching Education and Sociology.

Mr. Arthur C. Marlow, who completed his studies at St. Louis University as did Mr. Jones, received his M.A. and Ph.D. degrees from there in 1950. He is from St. Louis, Missouri and will teach Business Administration here at St. Joseph's.

Rev. Bernard Meiring, C.P.P.S., comes to St. Joe from St. Charles Seminary, where he finished his studies for the priesthood and was ordained last June. He is now working for a degree in education. Fr. Meiring has already received an M.A. degree in philosophy from the University of Dayton in Ohio. He is a native of Ohio.

Mr. Dale O'Connell, who just this year replaced Mr. Richard Scharf as head coach of St. Joseph's basketball team, is originally from Nashua, New Hampshire. He finished his studies at the University

Rev. P. Wellman

of New Hampshire where he received his B.S. and M.S. degrees in physical education. He also helps out as an assistant coach of the football team.

Rev. Donald F. Shea, C.P.P.S., who had taught at St. Joseph's before he was ordained, returned to the school as a member of the faculty again. He received his M.A. degree at the University of Michigan in 1947 and has just completed his Ph.D. Fr. Shea hails from Chicago and teaches history.

Rev. Paul Wellman, C.P.P.S., originally from Bryant, Indiana, is another new member of St. Joseph's College staff this year. He was ordained in 1947 and has spent his last two years in Minster, Ohio. He is now working for a degree in accounting.

Glee Club Plans University Date, Tour of States

With tryouts for the Glee Club completed, Rev. Lawrence Heiman has announced tentative plans for the year.

Besides the annual concert at Thorne Hall on Northwestern University's campus in Chicago, and the Spring Music Festival which is held on our campus, Fr. Heiman is trying to arrange a tour of different states. Details will be available on a later date.

To Pick 20 of 75 Newcomers
Approximately 75 students went through the tryouts which were held Sept. 14-19. Of these 30 were accepted as auxiliary members. In time 20 of these 30 will be chosen for full or regular membership. This membership entitles them to full privileges in the club. They may make the trips and have a vote in business affairs.

There will also be a number of auxiliary members who will be substitutes in the event of an illness or emergency of a regular member.

Fr. Heiman's Fifth Year
This will be Fr. Heiman's fifth year as director of the club. Besides the freshmen, he has the following returning upperclassmen:

1st tenors: Tom Ryan, Bill Leonard, Jack Biel, Tom Biel, Frank Witry.

2nd tenors: Bill Walters, John Buckley, Mike Frieberg, John Guilfoile, Robert Gengler, Ken Dolan, Bill Gleason.

1st bass: Charles Rohan, Terry O'Hagan, Bill Shuler, Frank Companda, Jack Shrems, John Sack, Chuck Lancaster.

2nd bass: Charles Vietzen, Jack Tobin, John DeLaurentis, John Young, Urban Thobe, Carl Yaeger, Bob Kilbourne.

The officers of the Glee Club are: president, Charles Rohan; vice-president, Bill Leonard; and secretary, Terry O'Hagan.

Poor Turnout For Rehearsal Of School Band

With Rev. Clement Kuhns beginning his fifth year as director, the Collegeville Band's future is uncertain. The uncertainty is caused by the lack of student musicians. Only nineteen students were present for early rehearsals and unless a larger group can be formed, the band may possibly be dropped.

Composed of St. Joe students, assisted by several of the seminarians, the band's chief upcoming duty will be to provide the noise for the home football games. When the sport scene shifts from the gridiron to the field house, the band will be heard urging on Coach O'Connell's stalwarts.

The Christmas Concert, though still a few months away, will receive much attention during the band's early rehearsals. Because of favorable student reaction to the nature of the spring concert last year, music of a light nature will be stressed again this year.

Rehearsals are held twice a week, from 5:00 to 6:00 on Monday afternoons, and from 4:00 to 5:30 in the afternoon on Wednesday. All rehearsals are held in the Music Department.

Summer Session Tops All Records

The SJC Summer Session again under the direction of Rev. E. Maziarz, this year broke all previous summer enrollment records.

Students totaled 137. Of these, 109 were sisters representing 12 religious congregations. Students came from 16 states as well as from Canada and Puerto Rico.

Campus Literary Magazine Given All-Catholic Rating

Measure, the college literary magazine, has been rated All-Catholic for the year 1954-55 by the Catholic School Press Association, Rev. Alvin H. Druhman, the magazine's moderator, has announced.

Parents Play Host To Miss Chicago

The combined Father's and Mother's Clubs of St. Joseph's College held a reception for the parents of new students in the Del Prado Hotel, Chicago, on Sunday, Sept. 25.

Rev. Raphael Gross acted as speaker at the reception. Other members of the faculty present included Rev. E. Maziarz, Rev. J. Otte, Rev. C. Dirksen, Rev. E. Kaiser, and Mr. R. Kilmer.

Florence Gallagher, Miss Chicago of 1955, sang as a part of the evening's entertainment. Sophomore Bill Walters acted as Master of Ceremonies.

The first scheduled meeting of the year for the Fathers' Club will be this Friday, Sept. 30, at the Conrad Hilton Hotel in Chicago. The Mothers' Club will meet the following day.

Having joined the journalism association for the first time last year, Measure achieved its All-Catholic rating by accumulating 920 points out of a possible 1000. The organization judged the magazine especially excellent in regard to its Catholicity, informative articles, fiction, verse, typography, make-up, and art work.

The title All-Catholic is an indication that, according to the judges, a publication is effectively furthering the religious and intellectual purposes of its school. It further shows that the publication is functioning in an unmistakably Catholic spirit and with sufficient intellectual, grammatical, artistic, and journalistic competence to make it a contributing force in the spiritual and intellectual life of its student readers.

Joe Barnett was editor of Measure last year, with Joe Kneip serving as assistant editor. Associate editors were Donald Moorman, Paul Parks, Donald Ranly, and Frank Unger.

Frosh Undergo Month Of Sophomore Slavery

by Jim O'Brien

Freshman initiation is underway once again. After being delayed the first week of school by a Father Schaefer order, the Sophomore class launched a full scale program on Sept. 20 designed to integrate the beginning students with the returning student body.

The rules for this year's initiation were made public the preceding evening by Tom Stucker at a sophomore class meeting. Until Homecoming, freshmen must observe the ordinary regulations. They must have matches on their person at all times, must always wear their green beanies, must wait on sophomores in the cafeteria, must clean the sophomore room to which they are assigned. They must know the school songs, must know the starting St. Joe lineup in the most recent game, must pick up any debris on campus, must strip their cigarettes before discarding them on campus, and must refrain from using the diagonal walk leading to the cafeteria.

Linskey Heads Soph Court
Violations of these rules are being handled by the Sophomore Court on Thursday nights. Pat Linskey is supervising the proceedings. Any freshman who is declared a violator is subject to the court's reprisal.

The sophomores are also being somewhat restricted. No throwing of freshmen into the pond nor 5:00 a.m. marching drills will be permitted.

This year's initiation promises to be bigger and better than ever. The Freshman class, some 400 strong, is the largest in St. Joseph's history. Of this group, only varsity football players and Armed Service's veterans are exempt from obeying the traditional rules and the whims of every sophomore.

Frosh Supply Dinner Music
As usual, the cafeteria is the setting for quite a few hilarious burlesques. Popular songs, high

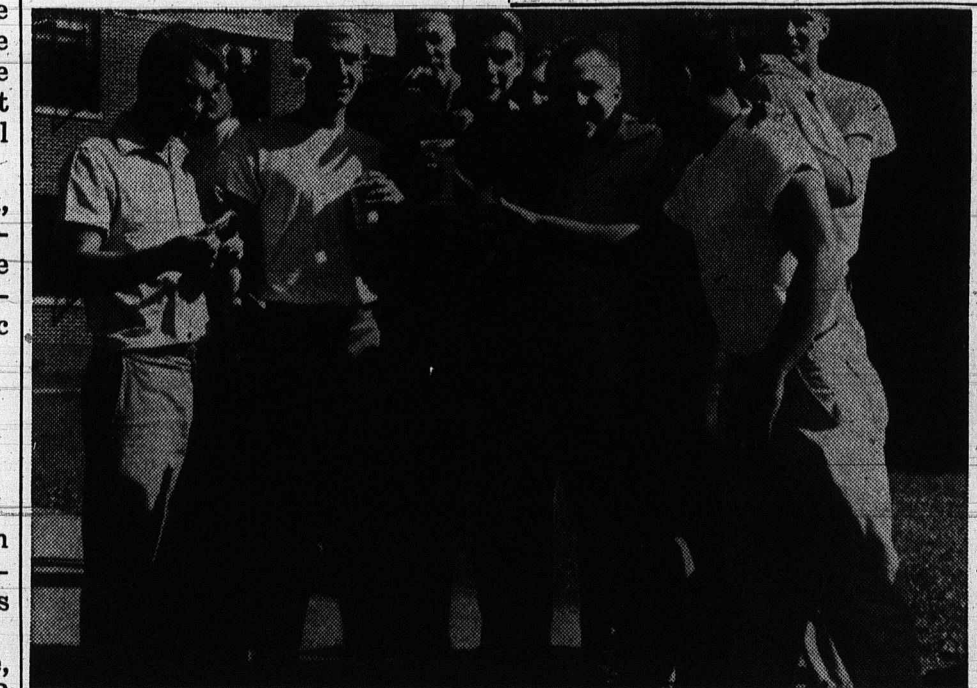

school fight songs, and bizarre sayings are injecting an entertainment aspect into the chow periods. Bill Brinkman and Ray Knight, rapidly becoming the most feared twosomes on campus, are leading the sophomores in selecting various freshmen to do the honors (and also the dirty work of returning trays and waiting on sophs).

This year's freshmen seem, on the whole, to be obliging. Stubbornness is almost nil. The only unpleasant incident reported thus far is a refusal accompanied by a "You go to 'blazes.' I'm on the varsity," from a certain freshman football player when ordered to refill "Fox" Linskey's plate with a second helping of corn.

At this writing initiation has taken place without serious violations by either freshmen or sophomores. The sophomores are enjoying the respite from the bothersome chores of cleaning rooms and shining shoes. The freshmen may be a little hard-pressed for time, but they need not worry. They'll get their chance next year.

Cigarette Butt Starts \$600 Fire

A carelessly discarded cigarette butt was believed to be the cause of a \$600 fire in the college field-house last June 8. The blaze, which enveloped part of the east wall, was discovered by some of the Collegeville Brothers. Quick action in calling the Rensselaer Fire Department and using fire extinguishers kept the damage to a minimum.

With the odds four-to-one in their favor, some playful sophomores enforce initiation. In case you can't recognize them, the frosh are the two with knock-knees. (Photo by Franz)

Name 26 Moderators

Seven faculty members have been appointed moderators of this year's classes. They are: Mr. R. Decker, seniors; Rev. Joseph Otte and Mr. Paul Kelly, juniors; Rev. Clement Kuhns and Mr. Willard Walsh; sophomores; and Rev. Ambrose Ruschau and Mr. James Bean, freshmen.

Nineteen other professors will act as moderators of the different clubs on campus. They are: Sanguinist Club, Rev. L. Kostka; A.M.S., Rev. A. Wuest, Don Bosco, Rev. W. Eilerman; Chicago, Rev. E. Maziarz; Vets, Mr. H. McAvoy; Geology, Rev. C. Nieset; Measure, Rev. A. Druhman; Stuff and Phase, Rev. J. Hinton, Contact, Mr. R. Decker.

Other club moderators are: Monogram, Mr. R. Jauron; Band, Rev. C. Kuhns; Choir and Glee, Rev. L. Heiman; Columbian Players, Mr. R. Cappuccilli; Commerce, Mr. R. Kilmer; Lake County, Rev. J. Lef-

ko; I.C.C., Rev. J. Smolar; History, Rev. D. Shea; Holy Name Society, Rev. W. Kramer; and Biology, Rev. C. Kroeckel.

Class and club moderators should be present at all meetings, oversee campaign and election of officers, and act as liaison in problems between class or club and the administration. They should also act as advisors on class projects, develop loyalty to the school, and promote class spirit or the purposes of the club.

CP's Consider Possibilities For Six Major Productions

Two major productions have been planned by the Columbian Players for the 1955-56 school year. Although no definite selections have been made, five plays are being considered for the major productions. They are: Dial "M" for Murder, The Winslow Boy, Winter-set, My Three Angels, and The Glass Menagerie.

Possible Lenten Play

In addition to the two major productions, the C.P.'s will also present three one-act plays and possibly a Lenten play.

Tentative plans set the date of the first major play in early November. Dial "M" for Murder seems to hold preference over the other possible selections.

Executives Hold Meeting

A meeting of the club executives was held on Thursday, Sept. 22, to discuss the plays which might be used for this year's productions. Another meeting for both the old and new members was held last Tuesday.

Officers for this year are: Jack Carlson, president; Dick Rezek, vice-president; Bernie Balas, secretary, and Ray Malik, treasurer.

Defunct NFCCS Presents Award

The National Federation of Catholic College Students, from which St. Joseph's was disaffiliated last year by a close vote of the student body, presented at its annual National Congress in Pittsburgh last August its first annual award in recognition of outstanding work done in the field of the lay apostolate.

Student bodies from the 177 schools represented by the federation voted for its recipient through a committee located here at St. Joseph's. The committee consisted of Tom Phillipp, chairman, Larry Penning, Paul Parks and Ray Malik. Aside from contacting the schools throughout the year, to decide the winner, the committee also designed the medal and ordered its manufacture.

Homecoming . . .

(Continued from page 1)

Raleigh Hall. The evening's musical entertainment then resumes back in the Fieldhouse. The Revels will last until 3 a.m.

The theme will be centered around the football team. Streamers of red and white, which are the new school colors, will be used in decorating. Tables will be situated on the main floor.

Dance Tickets Total \$8

The price of tickets for the dance have been set at \$5. The tickets for the Revels which follows immediately after a buffet dinner, have been priced at \$3 apiece. Cost for housing will be published at a later date.

The pep rally bonfire, which usually ended freshman initiation, will not be held this year. The reasons are: the scarcity of wood, and the lack of trucks. Also, the bonfires held in the past were considered needless farces.

Yearbook Delay Beyond Control Of Phase Staff

The 1955 edition of Phase will soon make its appearance on campus. Last year's yearbook is at the printers now and is receiving its final touches. As soon as it is finished and returned to the college, it will be immediately distributed to the student body. This delay is due to circumstances beyond the control of the present staff.

Work has already been started on the '56 Phase. According to Charles Rohan, editor-in-chief, the theme of this year's yearbook will be a student's day. All preliminary work is expected to be completed by Thanksgiving, after which informal pictures will be taken of the juniors and sophomores.

A recent meeting of all those interested in joining the staff was very successful. At the meeting the editorial staff for this year was announced. They are: Senior John F. White, Business Manager; Mike Hardin, Copy; Dan Ort, Pictures; Charles Vietzen and Junior John J. White, Layout; Tom Phillipp, Sports; and Bill Franz, photographer.

Sanguinists Meet

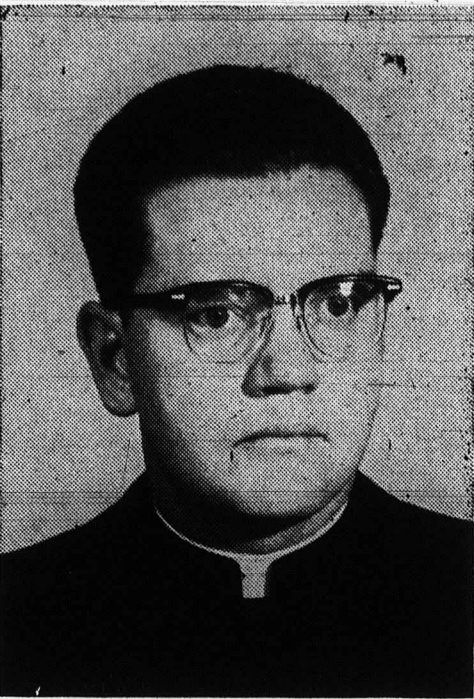

The Sanguinist Club, the Catholic Action group of the campus, held their first meeting of the year in Merlini Hall lounge last Tuesday evening.

Jack Schrembs is president of the club and Rev. Leonard Kostka is the moderator.

Frosh Retreat Held Evenings Orientation week

The annual Freshman Retreat, which is held during Orientation week, was slightly altered this year. Instead of holding a day-and-a-half long retreat, usually on a weekend, the talks were spread over the entire week.

Rev. Joseph McNicholas, C.P.P.S., who is a member of the Precious Blood Mission Band, was Retreat Master. He is presently stationed at Harrisburg, Penn.

Rev. Joseph McNicholas

Before being appointed to the Mission Band, Fr. McNicholas was devoted to parish work. He served as assistant at Wapakoneta, Ohio, and at Sacred Heart Parish, Detroit, Mich.

The chapel conferences, which were held at 8:45 p.m., centered around the religious opportunities available during our college careers. "A good student," Fr. Nicholas said, "must study, play and pray hard to become a success."

College President Pursues Standard Oil Endowment

by Lou Bassetti

On Monday, Sept. 26, Very Rev. Raphael H. Gross, president of the college, as a member of the Associated Colleges of Indiana, left for Gary, Ind., to seek an endowment from the Standard Oil Company. During the week a hundred other corporations in Indiana will be called on for the same purpose.

The A.C.I. came into existence due to the fact that half of America's private colleges, during the last few years, have been operating in the red. Rising costs, lowered returns from endowments and delayed maintenance were all factors contributing to this financial crisis. As a result, the Taft-McGowan Bill was presented to Congress, offering federal aid to the private schools.

Campus Groups Plan Bingo, Dance By Thanksgiving

The Veterans' Club, numbering approximately 80 this semester, will sponsor a bingo tentatively scheduled for Oct. 12. According to Commander Kevin Gallagher, junior from Chicago, this will be one of two bingos during the school year. Profits will be used for the annual picnic and banquet held in the spring.

Besides Gallagher, other officers are: vice-commander, Louie Kun, sophomore from Perth Amboy, N. J.; adjutant, Bill Leonard, sophomore from Monroeville, Ind.; and sergeant-at-arms, Joe Kueley, senior from Danville, Ill.

Hold First Meeting

The first monthly meeting was held Monday, Sept. 26, at 7:00 p.m. in the Bennett Hall lounge.

To Appoint Dance Chairman

Monogram Club president Pete Higgins, senior from Buffalo, N.Y., has named Nov. 5 as the date for the Monogram Fall Frolics. The dance will be held in Raleigh Hall.

The first meeting was scheduled for Tuesday, Sept. 27, at which time a chairman for the "Frolics" was to be appointed.

Other officers of the club are: secretary, John White, senior from Indianapolis, Ind.; and treasurer, Tim O'Brien, senior from Berwyn, Ill.

Federal Aid Meant Federal Control

But fearing that such aid would eventually mean federal control, many of the presidents of the independent colleges opposed the bill. Among them was Dwight Eisenhower, then president of Columbia, and a sizeable group of Hoosier college presidents.

Eventually, the mutual interests of private business and private education led to the formation of the Associated Colleges of Indiana. Though the government explicitly allowed corporations five-percent for contributions to educational, religious and welfare purposes, boards of directors were still fearful about giving away stockholders' money.

Supreme Court Rules for Support

But the New Jersey Supreme Court allayed this fear, once and for all, by declaring that corporations not only had the right but also the duty to support the free institutions which help to preserve the climate in which business itself can exist.

Since this court decision was handed down, more and more corporations, especially the large national ones, have entered the movement. One of the first was Standard Oil of Indiana which, for three successive years, has given \$150,000 to the state associations in the fourteen states in which Standard operates. The gift was distributed on the basis of the number of male students in the member schools of the state associations. Thus Indiana received \$21,000.00.

G. E., Ford Join Program

As more of the giant corporations now are entering the program, at least with experimental token gifts, the real hope of the movement seems in sight, even though some of the nationals wish to establish their own method of distribution. Thus General Electric has decided to match, up to \$1,000, a gift by any one of its employees to his alma mater; the Ford Foundation has set aside fifty million dollars to be given as endowments for faculty salaries, provided the college matches the given amount for its faculty-salary endowment fund.

It is believed some of these struggles to work out a method of distribution will gradually fall into a more general pattern, along the lines of the Standard Oil formula.

Designated Gifts Decrease

The Associated Colleges of Indiana has always adhered to the principal of designated gifts; undesignated contributions are divided equally among the thirteen colleges. But whereas several years (Continued on Page 6)

Three Classical Concerts Offered to Students This Year

By Jim Station

Three classical concerts will be given this year in the college auditorium according to Mr. Richard Kilmer, chairman of the college entertainment committee.

Although this year the program is not as large as last, the quality of the concerts is expected to be much better. Six concerts were presented during the 1954-55 academic year and were fairly well received by the student body.

Feature Three Groups

Of last year's concerts, five featured solo performers and only one consisted of a group, this being a string quartet. This year all three performances will feature groups.

The first concert will be held on Tuesday, Nov. 8, and will feature the Silvertones, a vocal quartet. It consists of a soprano, a mezzo-soprano, a tenor, a bass-baritone, and an accompanist.

The quartet will be directed by Garfield Henry in a program of operatic arias and ensembles and also favorite songs.

Chamber Orchestra To Appear

The American Chamber Orchestra, under the direction of Robert Scholz, will perform for the second concert on Friday, Feb. 3. It is a full concert orchestra of more than 25 musicians.

The orchestra has appeared regularly in New York in programs of the New Friends of Music and the Concert Society. One event to be noted in its series of national programs this year is the 200th anniversary (1956) of the birth of Mozart.

Final Concert Features Dancers

Jose Limon and his dance company will appear in the Collegeville auditorium on Wednesday, Feb. 29. Mr. Limon is probably the best known and most popular of the exponents of modern dance.

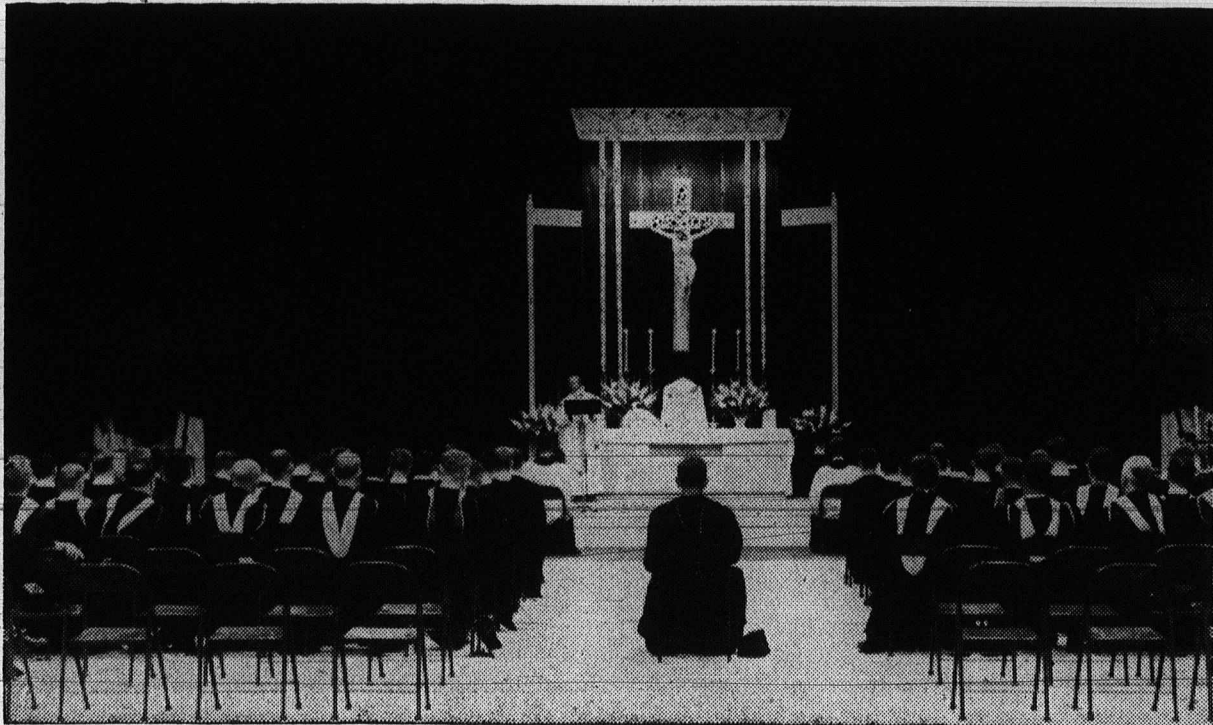

His company appears annually in such series as the Allied Arts Dance Series at the Chicago Civic Opera House and the Kaufmann Auditorium in New York City. He has also traveled throughout the United States, Canada, and Europe. The dance company consists of approximately 15 performers.

Band Concert Doubtful

The college also hopes to present the annual Christmas and Spring Concerts again this year. These concerts feature the St. Joseph's College Glee Club and Concert Choir and the college band.

There is some doubt as to whether the band concerts will be held this year. There have been very few player-applicants and it is possible that the band will not be large enough to present a suitable program.

No concert dates have been set yet by the Glee Club and Concert Choir.

The 1955-56 school year was officially opened Raphael Gross, president, was celebrant and also with a Solmen Mass in the college fieldhouse. Rev. gave the sermon.

A frustrated official seems to be leading the way for Puma quarterback Ralph Tite, although not everyone else was quite so obliging to the signal-caller. Our photographer even chopped off Ralph's head. Action is in the Ohio Central game. (Photo by Franz)

Varsity Views

by Tom Phillipp

With the start of another school year comes the beginning of another exciting football season for the Indiana Collegiate Conference. The 1955 season promises to be probably the most evenly-balanced conference race since the I.C.C. was organized. It is the first year that a complete round robin schedule will be played.

The Puma squad led with the right foot last Saturday as they swept their opener from DePauw. The conference spotlight was on Indianapolis that day, however, for the Evansville-Butler tilt. All indications pointed to a conference championship for the team emerging with that victory. Evansville's Aces were after just that when they racked up 45 points and their second victory in as many games.

We can hardly exclude the defending champion Valparaiso club from contention in this hot race, however. The Crusaders, with their starting line up and star quarterback Gordon Helms returning, lack nothing but reserve strength, particularly in the backfield. They invade Pumasville this Saturday for another hotly contested battle between these two great rivals.

A note of appreciation to intramural director Jim Beane for coming up with a very promising intramural program for this year. Enthusiasm is high and the competition will be keen, as each hall dusts clean a prominent corner for the coveted All-Sports Trophy.

An already big year in sports is being expanded further this year by St. Joseph's membership in the Midwestern Intercollegiate Bowling Association. Collegeville's top keggers can now compete on a large scale with such schools as Notre Dame, DePaul, and Loyola in the M. I. B. A. Let's all get in there Saturday and BEAT VALPO!

Pumas Play Host to Valpo Saturday, Travel to Indiana State Next Week

St. Joe Topples DePauw 27-13 As Salvail Stars

By Dick Bodney

St. Joseph's College won its first game of the season last Saturday, Sept. 24, when the Pumas downed a stubborn DePauw University eleven by the score of 27-13 at Blackstock Stadium in Greencastle.

It took St. Joe just seven plays after the opening kickoff to score, when after they had driven to the Tiger's 29-yard line, Bob Hamman, sophomore halfback, found daylight over his own right tackle and galloped all the way for the first six-pointer of the afternoon. La-Pointe's extra point split the up-rights and the boys from Collegeville led 7-0.

Tite Bulls Over For Second Tally

The Pumas second score came when they recovered a DePauw fumble on the 25-yard line of the Tigers. Although hampered by a holding penalty, St. Joe scored five plays later with Ralph Tite going over from two yards out. The conversion made it 14-0.

DePauw showed some signs of life in the failing minutes of the second period as they put on an 88-yard sustained drive for their first touchdown. The try for the extra point was wide and the scoreboard read St. Joseph's 14 DePauw 6 at the end of the first half.

The Pumas put the game on ice in the third quarter when Freshman halfback, Don Salvail tallied twice. His first touchdown was an electrifying 56-yard goal-line gallop. Minutes after this, Salvail wound up St. Joe's scoring for the

(Continued on Page 6)

Final Half Surge By Ohio Central Tops SJ 26-14

St. Joseph's College initiated its 1955 grid season on a sour note last Saturday night, Sept. 17, when Central State College of Ohio downed the Pumas by the score of 26-14 before a partisan St. Joe home crowd at Shewbridge Field in Chicago.

State proved to be too big and too experienced as they combined a powerful ground attack with timely passing to pocket the victory.

C.S.C. drew first blood midway in the first stanza when Quarterback Don Carter hit Bill Jones, 185-pound halfback, with a 20-yard touchdown pass. Lionel Reed added the point after touchdown. St. Joe came right back when, at the off-set of the second period, the Pumas marched 80 yards in 15 plays to score. Fullback Keith Fingerhut climaxed the drive when he tallied from State's 16-yard line. Rog La-Pointe's extra point tied the score.

The Pumas took the lead in the waning minutes of the same quarter when Quarterback Ralph Tite and Senior End Merle Effing combined to execute a 49-yard scoring pass play. The point after touchdown was good and St. Joe led 14-7 at the halftime intermission.

The second half, however, was all Central State as the Marauders tallied three times while holding St. Joseph's scoreless.

I. C. C. Standings

	W	L	Pct.
Evansville	2	0	1.000
St. Joseph's	1	0	1.000
Valparaiso	1	0	1.000
Ball State	0	0	.000
Butler	0	1	.000
Indiana State	0	1	.000
DePauw	0	2	.000

Results:

Sept. 17
Evansville 39, DePauw 6
Sept. 24
Evansville 45, Butler 12
St. Joseph's 27, DePauw 13
Valparaiso 27, Indiana State 9

The student body will get its first chance to see the 1955 Pumas in action as they challenge the talented Valparaiso Crusaders at Collegeville on Oct. 1.

Valparaiso, 1954 ICC champions, will be led by junior quarterback Gordon Helms. The nifty signal caller connected on 60 passes for 1,184 yards and was selected to the All-Conference Squad last year. Flanking Helms in the backfield will be returning lettermen Ken Schreiber and Paul Naumann at halfback and fullback Joe Mader.

Pumas Pounded Last Year

The Crusaders are equally strong in the line with only one man, Gerry Raash, absent from the 1954 eleven. St. Joe suffered a 38-18 setback last year on the Crusaders' home field.

Following the Valpo game the Pumas will travel to Terre Haute to tackle the Indiana State Sycamores in their third conference game in as many weeks.

State Under New Coach

State's new football coach, Paul E. Seige, has 15 returning lettermen and some promising freshmen gridders to bolster his 1955 eleven. The big gun in the Sycamore at-

Seven Tilts Left

The Pumas are faced with five conference games in the next five weeks as their schedule toughens. Following these ICC tilts, the football squad will close the season with two non-conference home games.

The remaining schedule includes:

Oct. 1—Valparaiso (here)
Oct. 8—Indiana State (there)
Oct. 15—Butler (here)
(Homecoming)
Oct. 22—Evansville (there)
Oct. 29—Ball State (here)
Nov. 5—Heidelberg (here)
Nov. 12—Navy Pier (here)
(Dad's Day)

tack will be junior halfback Bob Wilber. Wilbur was the team's top scorer last season with six touchdowns.

Gone from last year's squad are quarterback Jim Cox and halfback Glen Tyler.

The Pumas whipped State last year 21-20 in a Homecoming thriller.

Intramural Scoreboard

by John F. White

This year our intramural program is entering a new phase. In the past, a few teams have dominated the scene because of the system of allowing teams to be organized without consideration of the residence of the players, thereby developing a few powerhouses to override the rest of the competition.

Mr. James Beane, intramural director, has, after much consideration, developed a system which should eliminate this flaw in our I.M. program.

The new program will basically be one between the halls, with the Veterans Club as a special unit equivalent to a hall. Any veterans living in a hall may play with that hall if they wish. Veterans or married men from town may play on any team they wish. Men living in one hall must play on a team from that hall. Each hall may enter as many teams in any sport as it sees fit but each team must submit a roster and a player may only play for the team whose roster he is on.

Along with this idea of a hall program, Mr. Beane has also introduced an All Sports Trophy. This award will be presented in the spring to the hall which has accumulated the most points in the intramural competition during the year.

An explanation of the point system is as follows: Points will be given for each team entered in any sport with special extra points being given to those halls having less than 65 students. In sports such as tennis, since they are of a more individual nature, there will be a limit of seven entry points per hall but no limit on the number of entries from a hall.

There will be no distinction between major and minor sports in the distribution of points. Winners in each sport will receive 10 points, second place—eight points, third place—six points, fourth place—four points and the fifth place team in any event will receive two points.

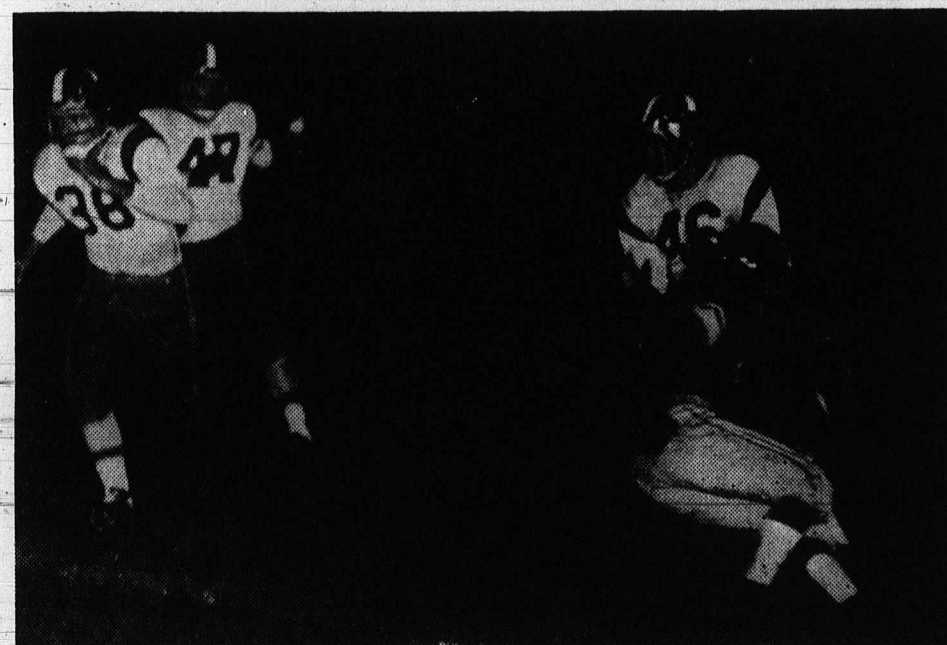

The program has been broadened in the number of activities which it includes. This year an attempt will be made to push the individual sports as well as the team sports. They will receive as equal acknowledgement as any other I.M. activity.

In order to give due compensation for the sports which run for a longer season the Student Council has announced that it will give awards to the winners of pre-season tournaments in football, basketball, 12-inch softball and 16-inch softball.

The first activity which the Intramural program offers will be a horseshoe tournament beginning Monday, Sept. 26. This will be followed later on in the week by a tennis tourney.

Entries for the touch football league will be taken from Monday, Sept. 26 until Friday, Sept. 30. League play will begin with the preseasonal tournament on Monday, Oct. 3.

To enter a team in any activity you must follow this procedure: Give your team a name, signify the hall you represent, list the men on the team and turn this information into the Intramural office typewritten.

Don Salvail eludes an Ohio Central tackler on a forty yard run as Merle Effing and George Sherwood form interference for him. Seconds later, Salvail fumbled and the Pumas lost the ball. Ohio Central won the game by a score of 26-14. (Photo by Franz)

Wasni, Normandt Named to All ICC Baseball Team

Named to the 1955 ICC All Conference Team at the end of last season's play were outfielders Bob Wasni and Captain Don Normandt, last year's seniors. Thirteen men, representing all seven conference schools, were named to the team, with only DePauw surpassing St. Joe by placing three members on the squad.

The Pumas placed forth in team batting with a .247 mark. Ball State's .284 clip was good enough for the conference championship; it was considerably lower than the all-time record of .304, held by St. Joseph's 1954 squad, however. This was the first year in four that Coach Beane's boys haven't won the team batting championship.

Dave Martin, Ball State second sacker took individual honors with a .468 average. Wasni's .375 and Normandt's .333 took seventh and twelfth places respectively.

In the runs-batted-in department Normandt's total of six netted him ninth position behind Martin's leading total of eleven.

The Pumas' .950 fielding average was enough for a three-way first place tie in that category. Among the hurlers, Gene Eifrid's 1-0 record and Greg Jancich's 2 wins and 1 loss earned them fourth and sixth positions in the conference.

Pumas Score In Seven Plays

(Continued from Page 5)
afternoon when he climaxed a Puma march by racing 13 yards into DePauw's end zone.

Salvail Averages 11.7 Yards
Don Salvail led all St. Joe ball-carriers in rushing as he picked up 129 yards in 11 carries for an average of 11.7 yards per try. Close on his heels was Bob Hamman who picked up 110 yards in 11 tries for an average of 10 yards per carry.

Saturday, October 1, St. Joe will meet their traditional rival, Valparaiso University. The game will be played here at 2:00 p.m. DST.

Summer Review...

Other various happenings about the campus were the Alumni reunion on June 18 and 19, which about 100 persons attended; the Server's picnic for 500 on June 22; Xavier Hall Parents' Days on June 25 and 26; Catholic Youth Christian Students' Workshop from August 15 to 19.

15 Nuns Receive Degrees
The annual summer session, of course, led the way in summer doings this year. This year's program was from June 20 to July 31 and was attended by 137 students. During the session Bennett Hall was occupied for the first time when several nuns moved into the hall on July 16. The session was climaxed on July 29 when 15 nuns received degrees in Theology from Bishop Grimmelmann of Evansville.

NCAA Rules Committee Makes Five Changes

Five noteworthy changes in the NCAA football rules were made during the year by their rules committee. For the sake of clarification of these rules, particularly the substitution rule, and for a better understanding of the game of football, the following is a summary of these rules:

1. Last year, in the "one-platoon system," a player withdrawn from the game was not eligible to return to action until the last four minutes of play in that same half. In a more lib-

eral version of this system, yet with no intent of reverting to the old "two-platoon system" of specialists, a player withdrawn from the game may now be subsequently returned to action once during the same quarter. Thus, a player may be used eight times during the course of the game, thereby giving him ample opportunity to rest and reduce the possibility of injury.

2. Place Kick Holder May Advance Ball: To avoid the recurring controversy of whether a place-kick holder had illegally run the ball or had fumbled and legitimately recovered and advanced, the new rule simply allows the holder to pass, kick or run the ball himself.

3. The "Sleeper" Play: Whereas the "sleeper" play formerly could not be used immediately following a substitution, it is now virtually eliminated by the rule requiring all offensive players to be within 15 yards of the ball.

4. Pass Receiver Eligibility: Previously, to make a tackle eligible for a pass, one end would drop back and the opposite halfback would move up on the offensive shift. To avoid defensive confusion concerning the exact position of that end, the rule change forbids the presence of a teammate behind or outside of the end man on the line of scrimmage. A guard or tackle, therefore, can still be eligible for a forward pass if a legal shift is used.

5. Fair Catch Signal: When a kick receiver executed the fair catch signal (hand extended above the head and waved from side to side) incorrectly, a 15 yard penalty resulted. To lessen the chance of this error recurring, the amended rule merely requires the hand to be extended clearly above the head.

College President Seeks Endowment

(Continued from Page 4)
ago 80 percent were thus designated, by last year only about 48 percent were designated. National corporations, for instance, prefer to give to the Association.

In any case, corporation gifts obtained through this cooperative effort must be used for current operating expenses only, although an individual college may also solicit gifts for capital funds.

St. Joseph's Gifts Total \$65,700
St. Joseph's became a member of the Associated Colleges of Indiana in 1951. Corporate gifts to the College have grown steadily:

1951-1952	\$ 5,100.00
1952-1953	12,500.00
1953-1954	20,100.00
1954-1955	28,000.00

Total \$65,700.00

There is every hope now that corporate support will be continued and will increase, particularly as more of the large nationals enter the movement. A special guidance-information bureau, known as the Council for Financial Aid to Education, has been something of a spur to alumni and other giving.

Since the nation's college population will double by 1970, and thereby increase the need for capital investments, such support becomes increasingly important and should be fostered, through work and prayer, by everyone interested in keeping America's private institutions free and strong.

Collegeville Golfers Clark, Effing Place 3, 4 in Annual ICC Meet at Valpo

Seniors Bob Clark and Merle Effing, members of St. Joe golf team, were awarded medals for placing third and fourth in the ICC annual golf meet last May. Their scores of 156 for 36 holes were only two strokes above the winning total of 154. Announcement of the awards was made last week by Puma golf coach, Rev. Clement Kuhns.

Beachwood Golf Course in LaPorte, Ind., home of the Valparaiso Crusaders squad, was the scene of the match. Butler University copied first place in the meet, while the Puma team notched fifth position, nosing out Valparaiso and DePauw.

Results of the season's play found the Pumas with a 1-7 record and fifth place in the conference standings. A number of the team's matches were decided by only a

few points, as were the final standings. A bright outlook awaits the team for the coming season, according to Fr. Kuhns, as witnessed by the call for talent already this fall.
